

Presentation Evaluation Form

Speaker (s):	Evaluator:
---------------------	-------------------

Please comment on whether the presenter has:

1. Started with a good ‘hook’ to get you interested, and clearly explained the relevance of the problem, with stated objectives of the research.
2. Clearly explained the existing state-of-art (current applications) and proposed technical approach.
3. Clearly presented available results (new or existing) and concluded with a clear statement of current or expected contributions towards fulfilling objectives.
4. Used clear, simple, illustrative visual aids with adequate front size.
5. Spoken in relaxed and confident manner, and answered question well.
6. I understood and enjoyed listening to this presentation (score 0 (no) – 10 (yes)) _____
7. Please identify things that are done well, and/or give suggestions for improvements.
Please use the back of this sheet to make additional comments to assist the speaker.
